## CUB FUNDAY 2024

Our recent outing to the Gilwell Funday was a huge success with 10 cubs attending taking part in many activities that we never get a chance to do at camp. Not because of cost or time needed, but due to the fact they are not available at the camp site. The day started early and the group travelled by train and a short walk to the camp site. Activities included rafting, caving, and climbing. The day finished with a what was called a "short cut" to the station – "not" according to the Leaders' comments later. A big thank to Rob, Georgia and our new young Leader Holly for making it a great day.
