### SUBSCRIPTIONS 2026

Subs will be going up in the new year due to the fact that the group is covering the annual membership fees charged by both Headquarters and County. The amount you pay at the moment has not changed since 2018. The change will happen once the Trustees Board has met in January. Also going forward we will only accept payments via our bank account. This is to save a long trip to a branch to pay in any monies. If you are struggling to pay please speak to Mike and we will see if we can help.

### TRUSTEE BOARD

Normally chosen by the Group Scout Council at the AGM, people can nominate its members for election at the AGM. The nominated person does not need to be a parent or family member; they must be over 18 yrs old to be considered for the role. The nominated person will have to have a DBS and undertake some training; this is not a child-facing role but it will require an understanding of the Safety and Safeguarding for the management of the group. A trustee can be co-opted to the board if they are it will be the Board that will vote on their addition. If you want to join the Board please speak to Mike and he will guide you through the process.

### REMEMBRANCE DAY SERVICE

The group have for many years attended the service at St Mary's Church, this year it is with pride that we join with the congregation to remember those lost in all wars. The group thanks those who attended.

### NEXT YEAR

We will restart on the 8<sup>th</sup> January 2026.
