GROUP ANNUL GENERAL MEETING 2025

We thank those parents that turned and volunteered to be Trustees for the group, the group continues to function in its day to day running but without the trustees it cannot meet the requirement that the rules state the group must meet. This been the accounts held by the group and the safety and safeguarding of its young people. We also gave out the Paul Howard Personal Achievement Award to Isabelle Stanford-Cabrera, the award is given by Bob in recognition to anyone in the group he feels has shown their commitment to the group.

CUB FUNDAY 2025

The early start was a bit stressful as we always hope no one is late, after the long journey with a walk across country. We arrived and sorted out the young people in to small groups and sent the off to take art in what they wanted to do not what we would like to do. The day flew past and in no time, it was time to leave and take the long return journey home. The Young People enjoyed the day and gained a few badges for their efforts.
